

Leading Medical Innovation.

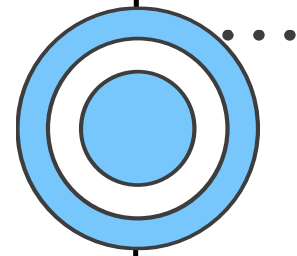

**Company Profile
Kuwait, 2026**

QUIP MED is the dedicated medical arm of **Al-Sayafe** Group, established to drive the Group's strategic growth in the healthcare sector through strong partnerships with leading international manufacturers.

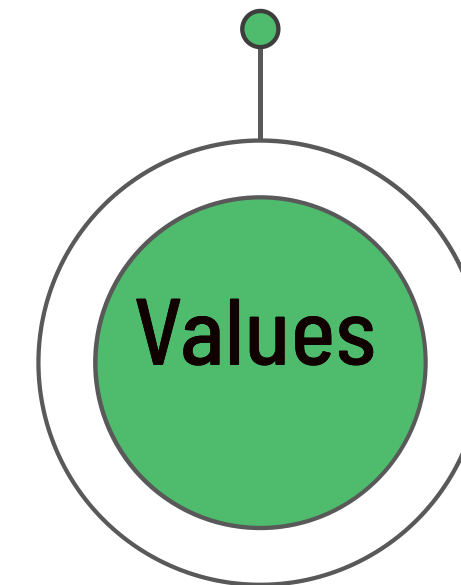

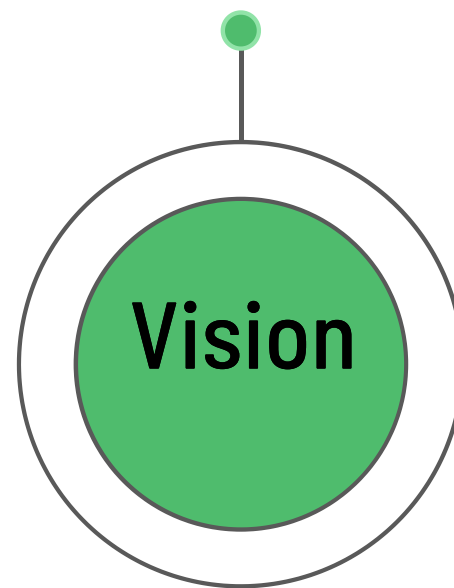

With specialized, market-focused teams, **QUIP MED** concentrates exclusively on representing advanced medical technologies, integrated solutions, and localized support tailored to Kuwait market needs.

By centralizing all medical activities under a single specialized entity, **QUIP MED** enables faster market access, deeper technical expertise, and stronger partner engagement—positioning **Al-Sayafe** and its global partners for sustainable growth and long-term leadership in the medical and healthcare industry.

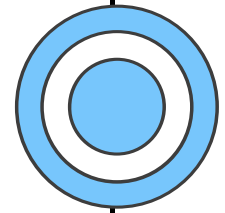

Our vision is to become the number one provider of healthcare solutions in the MENA region, working alongside our top brands.

Our company is committed to serving our clients with dedication and passion, ensuring their success. We are flexible in our approach, adapting our strategies to match the ever-changing market. Our focus on innovation and development keeps us at the forefront of the industry.

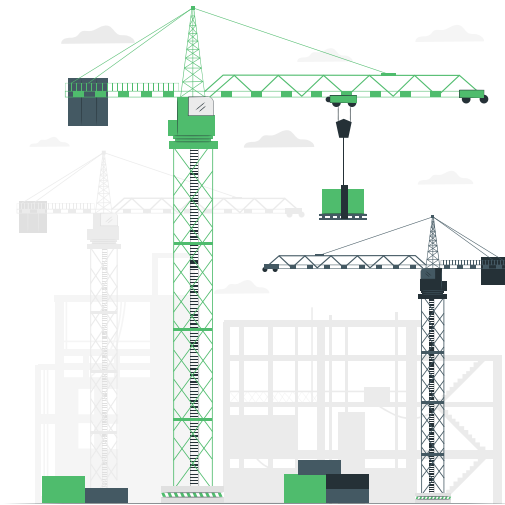

Our company is committed to providing top-notch after-sales service, constantly striving to enhance the quality of care we offer through affordable, reliable, and innovative means. Our ultimate goal is to satisfy our customers by delivering superior quality products and services. In addition, we are dedicated to fostering the growth and development of our employees by providing opportunities to enhance their skills, knowledge, and experiences.
